Phil is in paNICK mode the entire
truther community is up against him
and he can't control his reputation
anymore.

Hey Phil, if you didn't want to be called
a Pedo, ya definitely shouldn't have
fucked a minor and admitted it on
texts, tried to bribe her, and also
shouldn't have sued Scranton times -
you're a disgusting piece of shit who
lies all day and can't lie anymore.
Justice is coming... alllll over your face
and I can tell you like it.

Everyone is learning who you are.

Go crawl back into your hole 😊

Chas isn't afraid of Phil. Phil is afraid of Chas.

Phil promised and lied to his first wave of 7K metals referrals ... stating they would be in a great place 6-8 months down the road.

Enough time has passed, and even a few suicides, and people are starting to speak up to the fraudster.

Now - rather than embrace the concern with empathy, apology, remorse or even an explanation... Phil decides to do what he does best... become a victim and justifies in his own little head a reason to attack.

When threatened with truth - he attacks. We've all seen his attack is just a cowardly bark. Threatens lawsuits hoping people become afraid.

The best thing about my history is that I've never been so desperate for sex that I had to start going to children.

I never needed to buy fake followers to appear larger. I never had to lie about fake Mensa memberships or Harvard degrees.

The beauty here is I've created myself from authenticity, while Phil has created his entire persona on lies.

This is why the truther community is cheering us on. We don't have to lie and say I am Q, or Trump wanted me on his team.

What you see in Phil is the definition of a grifter, a narcissist, a psychopathic liar, and a sorry sad little boy- and when Scranton times wins, and Phil runs out of lies, kick back and enjoy the show as he continues to crumble before our very eyes.

Hey how are you doing today? I was asked by my mom to see if it was you that sent the two officers that are working with the Pennsylvania [REDACTED] over to visit her? This morning mom said they showed up and had a bunch of questions about phil and everything that is going on. PANICK AT THE PHILDO

Once upon a time someone who followed Phil's words & financial advice committed suicide. Did he do so directly because of Phil's broken promises? I can't say. I am learning about it though. Will I share my findings? Of course. But it appears <redacted> is conducting their own investigation into the WEB OF DECEIT that surrounds Phil.

I've said it many times... y'all have front row seats to the Phall of Phil.

February 1
 The parties took a break from the preliminary hearing to discuss the plea deal. After Brienna refused to start cooperating with the prosecutor, the prosecutor refused to drop the case since she knew Godlewski just wrote the victim down and she had his text messages proving he had sex with the victim. The parties reactivated the plea bargain discussions. The same plea deal and Guilty Plea Cogency was brought back to Judge Gersbach. This time Judge Gersbach accepted the negotiated sentence (Exhibit "2", pp. 263.) All the charges except the corruption charge were ruled proved on July 11, 2011, which is the same day Godlewski was sentenced on the corruption charge. (A true and correct copy of the Criminal Docket from case number CP-55-CR-0002611-2010 is included in the Exhibit List and marked as Exhibit "19".)

The True Story

Guys... don't be afraid to call Phillip Godlewski a pedo. Thats exactly what he is. I've been calling him that for months now and I've yet to be served. He's no threat. He's all a big bag of lies. He's a fucking child molesting pedo and he's getting roasted by everyone atm. The law has caught up to him.

This guy is the biggest lying sack of shit on earth.

I bet some serious amount of money he's tied to child sex trafficking rings in Lahaina and Lake Havasu. The more you learn about the child sex trafficking in those two spots the more dots connect.

Remember Phil text Brie he would kill a puppy for 10 million dollars.

This is the type of sick person Phil is.

The Philm is coming along, I haven't been served, Phil is a corrupt pedo, and he's probably sucking a dick right now and liking it.

Phil Godlewski invited Brie to the school carwash when she was 14. This would be normal behavior for a coach if he hadn't fucked her months later.

Note from anonymous: "They say a sexual offender has more than 100 victims before they are caught. I should know, I am a therapist who works with kiddos!"

Carey O'Malley was Brieanna's best friend in high school. 14 year and current copy of school (pages from Carey O'Malley's deposition transcript are included in the Exhibit Log and marked as Exhibit "22", p. V) Brieanna first met Godlewski at a car wash fundraiser in the summer before Brieanna entered 9th grade (Exhibit "22", pp. 10-11.) Brieanna was 14 years old (Exhibit "22", p. 14.) Godlewski admits he invited Brieanna to the car wash fundraiser (Exhibit "22", pp. 40.) Carey and Brieanna and Godlewski together about 20 times when Brieanna was in 9th and 10th grade (Exhibit "22", pp. 21.) Care and her friends would secretly follow Godlewski and Brieanna after he picked her up in his car (Exhibit "22", p. 62.) Godlewski would take Brieanna out houses (Exhibit "22", p. 64.) This happened maybe 10 times. (Exhibit "22", p. 65.) Brieanna's friends were coming down on Brieanna in 10th grade about Godlewski. (Exhibit "22", pp. 22-23.) They were at a sleepover and they took Brieanna's phone to her mother. (Exhibit "22", p. 23.)

Happy to report ~ the Lions den has moved on from talking about low life loser Pedo Phil. We did enough damage - and he's already over.

The films out, half his people are gone, his income has completely shattered. We did well. Mainly we understand focusing on his lies and grafts doesn't serve us. At some point - you need to choose how you want to spend your precious time in this realm - for me, and the Den, we've chosen to focus where it matters.

That pedo doesn't matter. There is more in store for his fate and punishment ~ when that time comes we will celebrate again.

The Mother and Father of these children need to fight for FULL CUSTODY to protect them. I hope Phil can't sleep after this show and all the receipts he can not hide from. You can't run from the TRUTH Phil. Gods watching you and so are the people. Good job Nick, nothing is better than bring truth to light. God Bless.

So glad Nick and his team made this film. Phil was guilty of more things than I even knew about! But he's gonna be spending the rest of his life behind prison walls.

spread lies - are in fact attempting to defame a product ^{February 12} ~~made for~~ children. Speaks volumes doesn't it?

The reviews from parents speak volumes as well.

Arii after being used for 1-2 weeks in children has shown to bring better focus, mood, and expression to children who have been vaccine injured & adults who sit on the spectrum.

I'd say it's safe to say the guy who created the fake Trump bucks, sold fake venom water filters & buys his telegram and rumble followings has no space to say a product that helps children is fake...

Remember, that guy is Phil Godlewski and he went to jail for having sex with a child. 🧠 Just use logic.

Try it out today, see all the reviews.

In response to a Phillis in the Lions Den who asked "Why are you doing this" and a response from Lion Anon:

Oh I can think of several reasons!

1. To get justice for Brie.
2. To protect other vulnerable minors (Keri does have two young daughters....)
3. To stop his destroying the lives of his pham both in the constant hamster wheel of hope, but more importantly to put an end to his defrauding them of their pension funds and life savings. (A quick read of Phil Fraud Stories will reveal some of that.)
4. To teach people to think and use their critical thinking skills and not just trust every Tom, Dick and Harry with a mic and mesmerizing voice.

So when you have a con artist like Phil telling you we hurt children, just know he's more interested in hurting them for his own pleasure than helping them get better. (7 charges & more for sexual assault toward a minor)

That's what www.ariibrand.com is for - helping children - not corrupting minors. I think we are about to send a free sample to Phil's house. He seems like he needs some help with those highs and lows... obviously money hasn't fixed his personality. 😊

Negative reviews from Google.

All the people that have been scammed by Phil should head to Goldco's reviews on Google and post their grievances along with Phil Godlewski and Kelly Felix as names attached.

They feared & defrauded people into converting their retirement into their company. Phil used fraud by saying he was a secret military agent, NSA, works for and controls Trump, the list goes on....

Let's flood their page with 1 star reviews if you were affected by this scam. *This will not only send a message to Goldco that we're onto their scam, but also to anyone doing their due diligence.

Yall want to see him fired from CUE? We start calling and referencing the terms and termination contract they have - and bring to their attention the misrepresentation Phil has made regarding CUE working with star link.

Get his ass fired for breaking their agreement. Says it right there... termination immediately.

Rochelle: No ear covering, flapping of arm, multilevel marketing scheme. When victims complain he ~~March 10~~ removes them from his Telegram and deletes their comments so his other followers are not dissuaded from investing. The worst part is he convinces them by assuring them that the US financial system is imminently going to crash and they will lose all their money if they leave it in the bank or market. I understand this sounds unreasonable, but many many people buy into it.

He also sells Trump Coins and Trump Bucks that have no value and uses AI generated voices of Trump and his sons to endorse these fraudulent schemes. Many of his followers have lost thousands on these schemes.

The icing on the cake is that Godlewski shelters the money he grifts by purchasing multimillion dollar properties in the names of various LLCs and he has not filed taxes in years. This is verified in his pending litigation in Lackawanna County against the Scranton Times.

Similar things to read about. Callin

my drift. He might ~~March 11~~ough. SEC & FBI & Attorney Generals continue to contact them - we have a person arriving to DC to complain in person as well.

One last note:

To get the full attention of law enforcement, all who file claims need to also emphasize that despite loss in value (on paper), you have reason to believe your money was laundered in its entirety.

This is where contacting goldco, & requesting access to your metals produces an end result- if it's ignored, denied, etc. you can report this to federal law enforcement (FBI)

You might say "I have seen no evidence to date suggesting in any way my metals exist and are secured."

Don't believe anything ~~March 11~~ says - he's written on paper to the judge in the Scranton Times case that he hasn't filed taxes since 2017. Can you imagine how much money that is.

Help him lose more sleep. File anonymously or do it with your name and get 15%-30% commission.

This is a movement meant to help the children, and protect the elderly. Phil does exactly the opposite of that - he screws young girls, and rips off the elderly. What we have done has single-handedly destroyed his entire operation.

There is a reason Phil doesn't live with his kids. It's become very evident that if he did - he'd be sexually assaulting them out of the frustration of getting called out for being apedo.

Thank God those kids are safe, and thank God Kerri's kids live with their grandpa.

God is working overtime protecting those kids from the satanicpedo parents they have.

Insane? It's called statistics.

Most adolescent sex offenders (61%) abuse more than one victim. The average adolescent sex offender abuses seven victims, with some juveniles disclosing as many as 30 or more victims. Many perpetrators abuse the same victim more than once.

So Nick Alvear's movie (which was well structured, tight, concise, and informative) has definitely impacted Phil (philsto) godlewski whose language has significantly changed over the last 10 videos.

IMO, based on these language changes, phil's income has been very reduced. Maybe by 50% or so.

IMO, given my assessment of Phil's personality, he will be compelled in his next few videos to patter about how this is NOT the case, that everything is just fine with him.

Happy to report ~ the Lions den has moved on from talking about low life loser Pedo Phil. We did enough damage - and he's already over.

The films out, half his people are gone, his income has completely shattered. We did well. Mainly we understand focusing on his lies and grafts doesn't serve us. At some point - you need to choose how you want to spend your precious time in this realm - for me, and the Den, we've chosen to focus where it matters.

That pedo doesn't matter. There is more in store for his fate and punishment ~ when that time comes we will celebrate again.

Moving Parties: Defendant Philip Godlewski

Responding Party: Plaintiff Christine McCaslin

Motion to Strike Plaintiff's First Cause of Action for Intentional Infliction of Emotional Distress pursuant to Code of Civil Procedure §425.16

The court considered the moving papers, opposition and reply.

RULING

Defendant's Motion to Strike Plaintiff's First Cause of Action for Intentional Infliction of Emotional Distress pursuant to Code of Civil Procedure §425.16 is DENIED.

BACKGROUND

Plaintiff Christine McCaslin is a hair stylist who owns a business in Los Angeles County known as Salon Touché. Plaintiff alleges Defendant Philip Godlewski posted her contact information and her business information to his over 300,000 Telegram social media followers and encouraged them to leave negative reviews about Salon Touché and harass Plaintiff personally. As a result of Defendant Godlewski's Telegram posts, Plaintiff has received more than 1,000 negative reviews on Yelp! and Google. Plaintiff alleges Godlewski's followers also

made negative posts on her Facebook and Instagram business accounts. Plaintiff alleges her business phone number has become essentially unusable due to the number of non-customers using the number to harass her instead of booking an appointment. Plaintiff has also personally received handwritten threats to her person at her place of business.

On July 19, 2023, Plaintiff filed a complaint against Godlewski, alleging a single cause of action for intentional infliction of emotional distress. On September 6, 2023, Godlewski filed the Special Motion to Strike ("anti-SLAPP motion") currently before this Court. On April 10, 2024, Plaintiff filed an opposition to the anti-SLAPP motion. On April 16, 2024, Defendant filed a reply to Plaintiff's Opposition.

LEGAL AUTHORITY

(CCP §425.16(b)(1))

"As used in this section, 'act in furtherance of a person's right of petition or free speech under the United States or California Constitution in connection with a public issue' includes (1) any written or oral statement or writing made before a legislative, executive, or judicial proceeding, or any other official proceeding authorized by law, (2) any written or oral statement or writing made in connection with an issue

McCaslin v Fraudlewski

Philophile just got denied Anti-SLAPP. This is an update that fits into the message I relayed earlier. The imbecile has already lost. Remember to celebrate each little step along the way of his slow motion crumble.
